Q&A

(*) video conference

16:00 – 16:30

Coffee break

16:30 – 17:45

Session 6: “COVID-19 Impact on International Relations, European Competitiveness and the Green New Deal”

Due to the current COVID-19 pandemic, Europe, natural partner of emerging regions such as Latin America, faces a complex geopolitical panorama whilst dealing with serious internal challenges such as Brexit and the deepest economic contraction in almost 100 years. The European brand of diplomacy is often characterised by its leadership in market regulation, its steadfast commitment to multilateralism and its bold decision of escaping the current crisis by way of a Green New Deal. In an increasingly multipolar world, is this brand of diplomacy sufficient for Europe not to lose its geopolitical weight?

Moderator: Amparo Polo (*Expansión*)

Enrico Letta (*Dean, Paris School of International Affairs, Sciences Po, France; former Prime Minister of Italy*)*

Fatih Birol (*Executive Director, International Energy Agency*)*

Laurence Boone (*OECD Chief Economist, G20 Finance Deputy and Head of the Economics Department.*)*
